

Errata to *Erebor*

Nebhrajani A. V.

Kalgutkar A. J.

These are all the errors and omissions to the paper *Erebor*, submitted to the NSS Space Settlement Contest 2021, reported as of February 21, 2021. Positions in the paper are indicated by page, column side, section name, and line number (if applicable), where the top line of a section is number 1 and the bottom line is number -1 . The cover page is counted as page 0. A running head and a page number are not considered to be lines, but all other lines are. Please report additional errors to nebhrajani@protonmail.com.
